For your pet's protection we have a few requirements, all vaccines must be current, including Bordatella (every 6 months). * If not up to date or unable to verify, vaccines will be given at the owner's expense. * It is our hospital policy that animals must be free of external parasites. Any found to have fleas or ticks will be treated at the owner's expense.

Your pet's accommodations include our specially designed suites or runs suited to the size of your pet; feedings which are once a day with Hill's Science Diet Maintenance Formula (or if you prefer, owner-provided food). Fresh water will naturally be available at all times. Your pet's quarters are cleaned and sanitized at least twice a day. Exercise will be provided twice a day in our indoor/outdoor runs.
